

How to get to the Kaltes Tal lime production plant

Fels-Werke GmbH
Kalkwerk Kaltes Tal
Kaltes Tal 1a
38875 Elbingerode
E-Mail: info@fels.de

From the B6 motorway (from the east)

you are travelling on the B6 in the direction of Blankenburg (Harz)

- turn onto the B27
- drive through Hüttenrode and Rübeland
- after Rübeland turn right in the direction of the Kaltes Tal lime production plant
- please follow the signs

You have arrived at your destination.

From the A7 motorway (Coming from the north)

you are travelling on the A7

- leave the motorway at exit 63 AS Derneburg-Salzgitter
- follow the B6 in the direction of Salzgitter
- pass Salzgitter and Goslar
- on approaching Bad Harzburg, follow the signs in the direction of Braunschweig
- on approaching Vienenburg, stop following the signs in the direction of Braunschweig, instead follow those in the direction of Wernigerode – this means you follow the B6n
- leave the B6n at exit Wernigerode Nord
- continue in the direction of Elbingerode onto the B244
- when you have reached the marketplace in Elbingerode, turn left onto the B27
- approx. 1 km after Elbingerode, turn left to the Kaltes Tal lime production plant
- please follow the signs

You have arrived at your destination.

From the A7 motorway (Coming from the south)

you are travelling on the A7

- leave the motorway at exit 72 AS Göttingen-Nord
- continue onto the A388
- which then changes into the B3
- at the first traffic light, continue straight on and drive onto the B27
- you now pass through Herzberg am Harz, Bad Lauterberg im Harz, Braunlage and Elbingerode (Harz)
- approx. 1 km after Elbingerode, turn left to the Kaltes Tal lime production plant
- please follow the signs

You have arrived at your destination.
