### How to get to the Münchehof lime production plant

Kalkwerk Münchehof  
Industriegebiet Münchehof  
38723 Seesen  
E-Mail: info@fels.de

#### How to get to the Münchehof lime production plant

##### From Seesen

- you are travelling on the B242
  - leave Seesen in the direction of Herrhausen
  - drive through Herrhausen and Münchehof
  - at a certain point the B242 joins the B243 (in the direction of Osterode am Harz/Clausthal-Zellerfeld) - stay on the B242
  - when the roads split up again, follow the B242 (in the direction of Clausthal-Zellerfeld)
  - at the next crossing, turn left onto the K65
  - follow this road for some time until you can see the Münchehof lime production plant to your right
- You have arrived at your destination.

#### From the A7 motorway

you are travelling on the A7

- leave it at exit 67 AS Seesen
  - turn right onto the B243/B248 and follow the B243
  - when the latter joins the B242 stay on the B242/B243
  - when both roads split up again, follow the B242 (in the direction of Clausthal-Zellerfeld)
  - at the next crossing, turn left onto the K65
  - follow it until for some time until you can see the Münchehof lime production plant to your right
- You have arrived at your destination.
