### How to get to the Rübeland lime production plant

#### From the B6 (coming from the east)

you are travelling on the B6 in the direction of Blankenburg (Harz)

- turn onto the B27
- drive through Hüttenrode
- shortly before leaving Rübeland, you should be able to see the Rübeland lime production plant on your left
- please follow the signs

You have arrived at your destination.

#### From the A7 motorway (Coming from the north)

you are travelling on the A7

- leave the motorway at exit 63 AS Derneburg-Salzgitter
- follow the B6 in the direction of Salzgitter
- pass through Salzgitter and Goslar
- on approaching Bad Harzburg, follow the signs in the direction of Braunschweig
- on approaching Vienenburg, stop following the signs in the direction of Braunschweig; now follow the signs towards Wernigerode
- this means you follow the B6n
- leave the B6n at exit Wernigerode Nord
- drive onto the B244 in the direction of Elbingerode
- when you have reached the marketplace in Elbingerode, turn left onto the B27 towards the Rübeland lime production plant
- please follow the signs

You have arrived at your destination.

#### From the A7 motorway (Coming from the south)

you are travelling on the A7

- leave the motorway at exit 72 AS Göttingen-Nord
- drive onto the A388
- which changes into the B3
- at the first traffic light, continue straight on – onto the B27
- drive through Herzberg am Harz, Bad Lauterberg im Harz, Braunlage and Elbingerode (Harz)
- on approaching Rübeland, you should be able to see the Rübeland lime production plant on your right
- please follow the signs

You have arrived at your destination.
