How to get to the Saal lime production plant

From Regensburg

- you are travelling on the B6 from Regensburg
- leave the B6 and turn into KEH19 (Regensburger Strasse)
- Regensburger Strasse leads into Hauptstrasse
- you are now travelling on Hauptstrasse
- in the direction of Saal an der Donau
- stay on this the road
- after a few meters, you can see the Saal lime production plant

You have arrived at your destination.

Coming from the north

From the A93

- you are travelling on the A93
- take the first exit after 44 AK Regensburg
- follow the B16
- leave the B16 at exit KEH19 (Regensburger Strasse)
- Regensburger Strasse leads into Hauptstrasse
- in Obersaal, turn left at the fourth crossing into KEH10 (Haunersdorfer Strasse)
- turn left into the second street you are allowed to enter (Werkstrasse)
- after a few meters, you can see the Saal lime production plant

You have arrived at your destination.

Coming from the south

From the A93

- you are travelling on the A93
- leave the motorway at exit 48 (Hausen)
- you are now on the KEH10
- drive in the direction of Saal an der Donau
- after 7.5 km you have reached Saal an der Donau
- at the town sign, turn right towards the plant gate
- the Saal lime production plant is right in front of you

You have arrived at your destination.

from the B16

you are travelling on the B16

- leave the B16 at exit Kelheim in the direction of Saal
- continue on Kelheimer Strasse
- at the roundabout, take the first exit to Kirchstrasse
- turn right into Hauptstrasse
- after some meters, turn left into Werkstrasse
- follow this road
- after a few meters, you can see the Saal lime production plant

After about 500 metres you have arrived at your destination.
