How to get to the Rübeland lime production plant

From the A36 (coming from the east)

you are travelling on the A36 in the direction of Blankenburg (Harz)

- turn onto the B27
- drive through Hüttenrode
- shortly before leaving Rübeland, you should be able to see the Rübeland lime production plant on your left
- please follow the signs

You have arrived at your destination.

From the A7 motorway (Coming from the north)

you are travelling on the A7

- leave the motorway at exit 63 AS Derneburg-Salzgitter
- follow the B6 in the direction of Salzgitter
- pass through Salzgitter and Goslar
- on approaching Bad Harzburg, follow the signs in the direction of Braunschweig
- on approaching Vienenburg, stop following the signs in the direction of Braunschweig; now follow the signs towards Wernigerode
- this means you follow the A36
- leave the A36 at exit Wernigerode Nord
- drive onto the B244 in the direction of Elbingerode
- when you have reached the marketplace in Elbingerode, turn left onto the B27 towards the Rübeland lime production plant
- please follow the signs

You have arrived at your destination.

From the A7 motorway (Coming from the south)

you are travelling on the A7

- leave the motorway at exit 72 AS Göttingen-Nord
- drive onto the A388
- which changes into the B3
- at the first traffic light, continue straight on – onto the B27
- drive through Herzberg am Harz, Bad Lauterberg im Harz, Braunlage and Elbingerode (Harz)
- on approaching Rübeland, you should be able to see the Rübeland lime production plant on your right
- please follow the signs

You have arrived at your destination.

Kalkwerk Hornberg
Hornberg 1
38875 Elbingerode
E-Mail: info@fels.de

How to get to the Hornberg lime production plant

From the A36 (coming from the east)

From the A36 (coming from the east)

- take the B6 towards Blankenburg (Harz)
- drive onto the B27
- drive through Hüttenrode
- drive through Rübeland
- take the second exit at the roundabout in Elbingerode and continue on the B27
- shortly after leaving Elbingerode, cross a bridge, turn right immediately after and then keep left
- after a few hundred metres you will reach the Hornberg lime works.

From the A7 (Coming from the north)

Coming from the north

- leave the motorway via 63 AS Derneburg-Salzgitter
- follow the B6 in the direction of Salzgitter
- you will pass Salzgitter and Goslar
- at Bad Harzburg follow the signs in the direction of Braunschweig
- at Vienenburg, however, no longer follow the signs in the direction of Braunschweig, but in the direction of Wernigerode -you therefore follow the A36
- at Blankenburg (Harz) you leave the A36 at the AS Blankenburg-Zentrum
- leave the coming roundabout via the 3rd exit and follow the street "Am Hasenwinkel" and take the next right onto B6/B81
- after a short time turn right onto the B27
- drive through Hüttenrode
- drive through Rübeland
- take the second exit at the roundabout in Elbingerode and continue on the B27
- shortly after leaving Elbingerode, cross a bridge, turn right immediately after and then keep left
- after a few hundred metres you will reach the Hornberg lime works.

From the A7 (Coming from the south)

From the A7

- leave the motorway at exit 72 AS Göttingen-Nord
- continue on the A388
- which changes into the B3
- at the first traffic light, continue straight onto the B27
- pass through Herzberg am Harz, Bad Lauterberg im Harz, Braunlage
- in Elend follow the signs in the direction of Elbingerode
- shortly before Elbingerode there is an underpass, turn left directly before it and keep left
- after a few hundred metres you will reach the Hornberg lime works.
